Biographical Note

Sheldon Kent was born Sheldon E. Kulakow to Sam and Evelyn Kulakow in 1926. He lived in Milwaukee, Wisconsin before joining the United States Navy. He served as an Ensign in the United States Navy from March 1, 1944 to August 27, 1946.

Kent graduated from Midshipman's School on November 2, 1945 and Navy Supply Corps School in February 1946. While in the Navy, Kent received the American Campaign medal, Navy Good Conduct medal, and World War II Victory medal.

Scope and Content of the Collection

The Sheldon Kent (Kulakow) Collection consists of uniform pieces, operational equipment, photographs, a portfolio of collected Navy-related cartoons, graduation books, maps, books, and other ephemera. The vast majority of the collection pertains to the United States Navy during the time Kent was enlisted (1944-1946). One newspaper article is dated 1995. The collection arrived in no discernible order and all

items were reorganized by museum staff. Uniform items were separated from the collection, as well as signal cards, two maps, and a book.

Arrangement

The collection arrived in no discernible order. Staff has arranged the collection. The collection consists of three series:

Series One: Biographical Materials

This series contains various materials pertaining to Kent's time in the United States Navy. It includes a program, ticket, and books for his military schooling and graduations, a card noting his time of service is complete, and information Kent received on the ranks, insignia and a food conservation program of the US Navy.

Series Two: The Supply Corps Portfolio

This series contains clippings of cartoons that were arranged in a portfolio folder. The original cover was non-archival and removed from the collection. Pages were kept in original order. The fronts and backs of pages were given their own number. The majority of pages seem to be taken from a monthly US Navy newsletter.

Series Three: Ephemera

This series consists of magazines, books, photocopies of photographs and newspaper clippings, black and white photographs, and miscellaneous ephemera. The books that remain with the collection are already included in PMML's holdings. The original photographs seen on the photocopied pages were not included with the collection.
